

LIFE AT THE TOP

THE **CLUB**

A high-angle, wide shot of a snowy ski slope. In the foreground, a skier in a blue jacket and black pants stands with their back to the camera, looking towards a group of other skiers. The group consists of several individuals in colorful racing suits (white, green, red, yellow) and helmets, some standing and others in motion. The slope is marked with red poles and shows numerous ski tracks. Long shadows are cast across the snow, indicating a low sun position. The overall scene conveys a sense of winter sports and community.

OUR COMMUNITY

Some of our residents have been with us from the very beginning. They are the proud founding members of our community and are now introducing a third generation of their own families to the Faqra Club way of life.

Over decades of growth, more families have joined our community, building chalets that perfectly blend in with the environment and enjoying Faqra Club's very unique lifestyle. Today, there are more than 400 families residing at the Club and enjoying their leisure time here all year around. We invite you to be a part of this growing yet very exclusive community... a community of likeminded, sophisticated and successful individuals with a flair for the refined.

Learn how to ski or relish the thrill of your passion at our high standard skiing facilities. At Faqra Club you can also indulge in any activity that is closer to your heart since our mountains and natural surroundings offer an ideal setting for all winter sports. End an exhilarating day in the snow with an après-ski experience at our luxurious and comfortable facilities at the hotel or at the bas des pistes. Only an hour's drive from the city, you can be part of a wonderful community where you can enjoy charming winter sceneries and stay cozy during the cold winter months!

WINTER

SUMMER

In the summer, nature awakens in an explosion of colors and greenery, providing our residents with an inviting environment for a wide range of outdoor activities. Come and benefit from our equestrian club, grass skiing, swimming courses and competitions, basketball, and volley ball among so many other exciting choices. You can also take long walks and hike in the surrounding mountains, hop on a mountain bike to enjoy the rugged terrain, or cycle along the paved roads of the Club. Our highly anticipated traditional event on the Assumption holiday in August is the highlight of the summer. During this special time, our residents come together for 5 days and nights of celebrations and the Club is bustling with visitors. Being part of our community means enjoying a holiday every weekend and throughout the summer...and so close to home!

THE FAQRA CLUB
